# EMERGING LEADERS FOR MIDDLE SCHOOL STUDENTS

**Do you want to become a Leader?**

## 2023-24 Emerging Leaders Application

The Foundation for Ensuring Access and Equity's mission is to ensure accessible and equitable opportunities for all students to enter the primary to postsecondary pathway to college and careers.

Our **Emerging Leaders for Middle School Program** brings together motivated middle school students from throughout the country who want to develop leadership skills in a positive, supportive, and collaborative environment. Students have 24/7 access to our online leadership curriculum; meet monthly in all-virtual sessions with other student leaders; hear from guest speakers; and share ideas for advocating for issues pertaining to their local schools and communities.
