

Rising 6th Graders

5th Grade Families – Come and Learn the ‘Hidden Rules’

- 
- *What is a 7-year college-bound plan and why you need one*
 - *What are the classes you can take in middle school for high school credit and how they can give you a huge scholarship advantage*
 - *How exploring your gifts and talents during middle school can place you onto a full scholarship pathway during high school*
 - *Why top colleges are ‘Looking’ to offer admission to students from lower income backgrounds*
 - *Why you are likely to receive more full scholarship opportunities from out of state schools*
 - *And much, much more...*

“1.5 hours that can impact your future! Hear students share their stories as they are pursuing their college-bound plans!”
